

2. Großbuchstaben – Die Kerne

Die Kernform selbst soll schmal sein. Die Zwischenräume in N und M sollen etwa die Breite der Kerne haben.

S	
M	
N	

The image shows three rows of handwriting practice on a set of four horizontal lines. Each row is labeled with a letter (S, M, N) on the left. The 'S' row shows two examples of the cursive capital letter 'S' with narrow stems. The 'M' row shows two examples of the cursive capital letter 'M' with narrow stems and wide gaps between them. The 'N' row shows two examples of the cursive capital letter 'N' with narrow stems and wide gaps between them. Below these three rows are several more rows of empty handwriting lines for practice.
